HELPFUL TIPS:

- If you are unable to make changes to your parent data form, please contact an administrator in the school's office.
- Both parent/guardian #1 and #2 have text notification permissions.
- Verify the cell phone numbers & providers that are entered for both accounts.
- Text notifications only apply to FDmail messages that have been sent by a staff person to your parent account.
- Any FDmail that was sent as a text cannot be replied to via text.
- SMS technology will truncate the body of the message according to its character limit rules and will strip any HTML code used within the message.
