Track and Field

A Message From CLS Board Chairman & President: David Bonar

Dear Concordia Family, to ALL Loved Ones of our School and their families,

To keep you all informed, and up-to-date as we begin our plans for next year, Ms. Jackie, our beloved principal, informed our School Board, at our March meeting, this would be her last year as our principal, and that she would be available for us as we start our new year to both assist in teaching and assist our transition to the new school year. We are thankful that she had the foresight to inform us so early in order for our Board to have some time to do proper searching, planning, and retaining a principal for the 2017/2018 year. We are also thankful to Ms. Jackie for her giving us several recommendations in that regard.

We, as the Board, are also thankful to her for her giving to us of her time, talent, knowledge, experience and, most importantly, her love for all our students, staff, and faculty for these past four years, and she is continuing assisting us with recommendations as we begin the search for our new principal (which has already begun shortly after her announcement to our Board).

To keep you informed and more secure about our school's future, the school board wants you to be kept up-to-date about our progress and publicize any upcoming changes planned for Concordia in the 2017/2018 school year. (Yes, we will have our Spring Fling again.)

Miss Jackie will continue to be part of Concordia to mentor our new principal as the person learns and assimilates themselves into Concordia's environment - its people, its mission and its personality. We look forward to a smooth transition - with everyone's help.

We thank you for all your continued support, love, energies and prayers that have helped make Concordia such a good place for our children to learn and experience the love of God. We look forward to your support for many years into the future.

May God's Love and the Peace of our Lord surround you as we move through this year and start our preparations for the 2017/2018 school year. In his Love and Grace, I remain....

Most Sincerely Yours,

Dave Bonar,

Concordia President/School Board Chairman

A Message From Your Principal

Dear CLS Parents,

People come into our lives for a reason and a season, I have had a wonderful 4 year tenure at Concordia Lutheran School. When I started four years ago, it was only for a year, with a possible extension of one year, which quickly turned into two, three and now I am completing the 4th year at CLS, after 39 1/2 years in the public school system. I only have had one semester off in 43 1/2 years. My time to relax, spend time with my husband and family while we have our health is at the end of the 2016-17 school year.

I have adored your children, and enjoyed watching them grow into fine young Christian boys and girls. I always said that "children kept me young!" But father time and the typical aches and pains that come with aging are not making me feel so young! Rather I am feeling my age, and know it is time to turn Concordia over to the next leader to move the school forward.

I want to thank you for all you have done for our CLS students over the years. I will miss our students and this tremendous faculty. I will always have a special place in my heart for Concordia.

Yours in Christ,
Jackie H. Daniilidis
Concordia, Principal
