

## TestFlight our FastDirect App for Parents

### 1). Click the Link

Click on the appropriate link below. This will first download/install the TestFlight App which is needed in order to get the FastDirect App.

- For **Android**:

- Click the link:  
<https://dash.mobiloud.com/files/v2/4929af91-6961-48af-8ddb-28f293173e3c>
- Wait for it to Download
- Open your Downloads
- Click on the FastDirect file
- It will either start to download or ask your permission to allow it to download and then say Yes
- Some phones will open the FastDirect app right away, others you will go to your home screen and your new FastDirect app will appear
- Please Allow Push Notifications, as this will be a future service in our TestFlight program

- For **Apple - iOS**:

- Click the link <https://testflight.apple.com/join/9taoAu3K>
- Once you get the TestFlight app, it will bring you to a page that asks you to install the FastDirect app and you should follow that prompt.
- Please Allow Push Notifications, as this will be a future service in our TestFlight program.
- Click Next for each prompt (Please ignore the prompt that asks you to learn more about sharing feedback)
- Click Start Testing

### 2). Login using your FastDirect App

- You will have to enter your login credentials once, thereafter, just click to login.
- *For Parents*: To login for the first time:
  - Enter your State, City, and School Name
  - Enter your ScreenName and Password
  - Click Login

- **For Admin/Staff**

*You can enter your own login credentials, but keep in mind that we have not fully developed the Admin/Staff Services, as this is our TestFlight for Parents. Soon we will add PUSH NOTIFICATIONS and then you can help us communicate with the FastDirect App users.*

- *You can use our demo site to view a parent account. To do so, you'll use these credentials:*

- State: California
- City: Walnut Creek
- School Name (the system will pull it up for you)
- ScreenName: Parent
- Password: grow1
- Click Login

The screenshot shows a login form titled "First Time Users & To Access a New Account:". It features three dropdown menus for "State" (California), "City" (Walnut Creek), and "School Name" (FastDirect Communications Demonstration). Below these are two text input fields for "ScreenName" (containing "Parent") and "Password" (containing "grow1"). A blue "Log In" button is at the bottom. A link "FORGOT MY SCREENNAME OR PASSWORD" is below the button, with a note: "(you must have an email in the system; contact your school office if you do not)".

### 3). What to Expect

The app will perform all of our current services for Parents. Later, we will add Push notifications, from school to Parents, participating in our TestFlight Program.

Note: there is a 1-2 second delay when you click the Login button

### 5). Share Feedback

Please send feedback through FDmail. COMPOSE an FDmail message, select HelpDesk @ FastDirect and send your feedback.

Note: Please send screenshots as an attachment using FDmail
