

Mrs. Irish's 6th Grade Newsletter

Week of April 8th - April 12th

We had a fun four days of school. The sixth grade class got 1000 AR points today for month of February, so they earned a movie party today. We enjoyed watching the movie *Safety* together as a class.

Thank you for returning the solar eclipse permission slips. We plan to be outside for part of the eclipse and safely watch it wearing our solar eclipse glasses.

I pray you all have a wonderful weekend!

Please message me with any questions or concerns!

Have a wonderful week!

Blessings,

Bethany Irish 262-313-8910

Here are class updates for next week:

Religion: Old Testament- King Saul and King David

Memory Work: 4/9-1st Part of 2nd Article.

4/11- 2nd part of the 2nd article

(The students know where to begin.)

6th grade Math: Chapter 8 mid-quiz on Tuesday. We have our Championship game on Monday for our Math Madness. We have been having fun doing math facts!

Pre-Algebra: We've introduced our next chapter on percents by playing some math games this week. Next week we'll get into Chapter 6.

English: We will do writing our compare and contrast essays. We will have a verb quiz Tuesday.

Literature: We should be through Chapter 12 by Friday of "The Boy in the Striped Pajamas."

Social Studies: We are currently studying Russia.

Science: We are continuing our computer science unit on Java scripting. The website for homework is codehs.com and the students should sign in with their @dreagles account.

Spelling: Unit 16 in the Spelling Book- Test is on Friday.
