

EMERGENCY SCHOOL CLOSINGS

Whenever possible we follow Central's (District #108) decisions on snow days. If Central is closed or starting late, Emanuel is also. Closings/late starts will be announced as Emanuel-Hamburg or Emanuel Lutheran-Hamburg on TV stations WCCO 4 and KARE 11. You will also be notified via Fast Direct.

However, because we have a number of students who live outside the Central School District, these families may follow the decision of their home school district. Parents are always encouraged to use their discretion before sending children out in questionable weather or road conditions.

Emanuel Lutheran School reserves the right to make a closing/late start/early dismissal decision different from District #108 based on the information available.

Parents are to monitor weather conditions and check Fast Direct for possible early closings. In case of an early close due to inclement weather, children will remain at Emanuel until picked up by a parent or designated adult. Every effort will be made by Emanuel to contact parents of children riding a bus regarding their wishes on the best and safest way to transport their child to their home or another location, whether by bus or private transportation. Please notify school if someone other than a parent will be picking up your child.

Weather Related Cancellations

In the event that Emanuel closes earlier than its regularly scheduled dismissal time, **ALL after school activities will be cancelled.** This includes any extra-curricular programs such as, but not limited to: sports – practice as well as games, musical practice, non-school affiliated programs and practices and/or any scheduled after school activity.
