

MAY 6-9

Classroom News

The students did a good job of working on the MAP testing this past week.

Third grade students will be reading the novel Charlotte's Web in class for the next few weeks of school. The spelling words will correspond with the words they are reading.

The annual Fine Arts Fair will be held on Wednesday, May 8 starting at 6:30 pm. Third grade students are playing their flutophones and singing. Some pieces of art will also be displayed.

*** Recess is almost always outdoors, so please dress for the weather.**
