## About Us.....

*First Lutheran School* opened its doors in 1953 with a commitment to educational excellence. Since that time, the school has grown to offer a DHS-approved infant through pre-school, elementary and middle school through 8th grade program.

First Lutheran is fully accredited by the State and National School Accreditation.

- Our primary mission is to educate the whole child. We strive to help the child develop intellectually, physically, emotionally, and socially, but most importantly we nurture spiritual development through daily devotion and prayer.
- We provide dedicated Christian teachers who serve as daily role models, teach the Word of God, and integrate Christian faith while ensuring a quality education in all subject areas.
- We offer an online portal that parents/guardians can use to stay in contact with faculty, as well as a weekly newsletter that highlights current events.

## FAQ's About First Lutheran School

- You do not have to be a member of First Lutheran Church to attend our school; however, you are welcome to worship with us!
- We do not have a school uniform. Instead, we have a dress code which expects our students to dress modestly and appropriately.
- We have a variety of extra curricular activities for older students, both academic and athletic, including basketball, band, MathCounts, track team, cheerleading, etc. Additionally, if there is a sport that we do not offer in Jr. High (such as volleyball, football, etc.), we currently have a co-op agreement with Ponca City Schools that allows our students to participate in those sports.
- Breakfast and lunch hot meal purchases are available. We offer Free and Reduced Meals through our participation in the National School Lunch Program.
