

Support Immanuel Lutheran with the Coca-Cola Give Program

What is the Coca-Cola Give program?

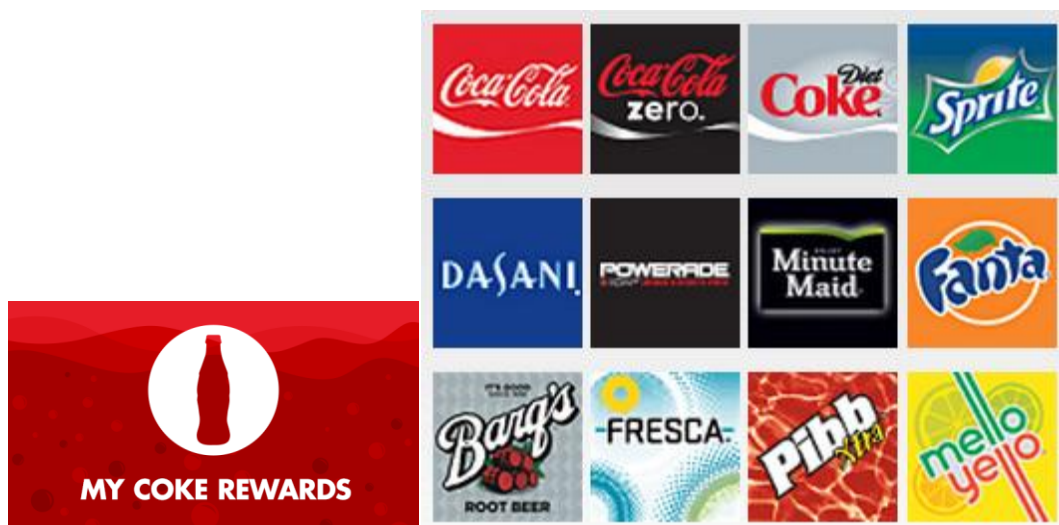

Coca-Cola Give allows anyone to donate to your local school through your favorite beverages from the Coca-Cola Company. Your donation will result in a quarterly payment to your school to be used to purchase supplies for your school's interest such as physical education, sports, technology, and/or arts which will be designated by your school.

How do I participate in the Coca-Cola Give program?

Enter us.colca-cola.com into your internet browser. You will need to create a personal login account if a new member or login if you have an existing account. Once you have an account, you can donate to the school by entering codes from various Coca-Cola brand beverages (e.g. coke, Diet Coke, Sprite, Powerade) etc. Codes can be found underneath bottle caps or inside 12/24 pack boxes. If you don't want to enter codes personally but still want to donate to the school, drop off your codes at the school office for entry later.

What products are products of the Coca-Cola Give program?
