

Philosophy

The basic premise for Christian Education is that the teaching must be aimed at the whole child. Immanuel pursues excellence directed toward each child's spiritual, cognitive, creative, physical, emotional and social growth. In each child we see evidence of God's wonderful love as a precious, gifted child of God. Through Christian Education, a child will reflect God's love through his service to God, family and community.

Immanuel Lutheran School

Building FAITH in CHRIST
one child at a time.

“Immanuel provides high academic education while still promoting the Gospel message.”

Why choose Immanuel Lutheran School for my child?

“The small class size gives more one on one learning and the love and sincere care the teachers have for their students are Immanuel’s greatest assets!”

A Family Environment based on Christian Principles

“Train up a child in the way he should go; and when he is old, he will not depart from it.”
Proverbs 22:6

- Our education is rooted in Biblical doctrine and integrated in all academic areas in order to prepare students to live as children of God.
- Our DPI licensed educators are dedicated to sharing and modeling God’s Word in a compassionate, Christian atmosphere, that has been evaluated and recognized as a nationally accredited school.
- Our multi-age classrooms enable students to progress at a pace effective for each individual. Students gain acceptance of others’ varying abilities, grow in self-esteem, build leadership qualities, apply conflict resolution skills and develop cooperative work habits.

- We offer quality education for children in 3-year old preschool through grade 8 in a safe, secured facility.
- Students participate in weekly chapel services, daily prayer, and daily instruction in God’s Word.
- We offer opportunities for students to participate in music, art, sports, drama, forensics, academic competitions, service outreach projects and ministry.
- Our disciplinary actions are based upon the PBIS approach, in which students are encouraged to be safe, responsible and respectful. Incentives for positive behaviors encourage students to act as children of God.
