### Tuition Reimbursement Incentive Program (TRIP)

#### **What is the Tuition Reimbursement Incentive Program (TRIP)?**

TRIP is a gift card rebate program. Through our partner, [RaiseRight](#), you can purchase gift cards from 750+ participating retailers and earn money back towards your tuition. Use gift cards to earn rebates on gas, groceries, eating out, clothes—the list goes on. It's easy, it's rewarding, and it fits right into your busy schedule.

#### **What kind of gift cards are available through TRIP?**

[RaiseRight](#) offers physical gift cards and e-gift cards depending on the retailer. Physical gift cards ordered through TRIP are delivered to you through the school once per week. E-gift cards can be purchased at any time and are delivered directly to your phone.

#### **How much do gift cards cost through TRIP?**

All of the gift cards purchased through [RaiseRight](#) are paid for at face value. A \$100 gift card for your favorite store will cost you \$100. There are no activation fees or costs for the gift card itself.

#### **How is my rebate calculated?**

When you purchase a gift card, your rebate is based on a percentage established by each participating retailer. These rebates vary from 1.25% up to 20%. As an example, if you purchase a \$100 gift card from a retailer offering a 10% rebate, you will be reimbursed \$10 for your purchase. Your rebate is earned at the time of purchase, not when you use the gift card.

#### **How do I receive my rebate?**

The rebate money that you earn throughout the school year is deposited into a TRIP fund. At the end of every school year, you will receive 65% of your total rebate and the remaining 35% of the rebate total is given to the school.

#### **What options do I have for receiving my rebate?**

The TRIP team will contact you in May and give you three options for your TRIP rebate: 1) apply it directly to next year's tuition, 2) receive it as a check, or 3) donate it to the school or parish.

#### **How much money can I earn through TRIP?**

The more gift cards you buy, the more rebates you earn. There is NO MAXIMUM amount of gift cards you can buy. I.C. families have earned over \$1000 in rebates in a single year!

## **What type of payment options does TRIP accept?**

Once you've created a [RaiseRight](#) account, there are two electronic payment options. You can pay online with your bank account (\$0.29 fee on each transaction) or pay online with your credit card (2.6% fee on each transaction).

Unfortunately, the program coordinators are not able to accept cash or check payments.\*

## **Do I have to set up an online account to use this program?**

Yes. But the good news is that [RaiseRight](#) offers perks that can only be accessed through an online account such as purchasing e-gift cards, reloading physical gift cards, and reviewing your rebate total and order history. In addition, [RaiseRight](#) is always offering special bonus rebates of up to 20% from various retailers. Check in every day to see what extra savings are available to you.

## **Is there an app that I can download to my phone?**

## **When and how do I receive my gift cards?**

E-Gift Cards: Delivered directly to your phone seconds after you place the order.

Physical Cards: Orders for physical gift cards are submitted to [RaiseRight](#) on Monday mornings. The cards are distributed through the school on Thursdays via the school folder system.

Reloads: Physical cards that are eligible for reloads are usually reloaded within minutes of your order.

## **What if I need a physical gift card right now. Do I have any options?**

YES!! The TRIP team has some of the most frequently purchased cards in stock for immediate purchase. Just email us at [ICTRIP@ICCOWBOYS.NET](mailto:ICTRIP@ICCOWBOYS.NET) to see if we have what you are looking for in stock.

## **I have more questions!! I need HELP with all this!! Who can help me??**

\*The TRIP coordinators will accommodate check payments in advance for business orders over \$1000 if your business is unable to process electronic payments.
