

Volunteer Sign-Up Form 2026 – 2027

Please take the time and give consideration to the ways in which you might be able to serve your child's school. We truly need the support of each and every family! This form can be returned at the orientation session or the first day of school.

All staff and volunteers who work with children one to one or in a small group setting (i.e. recess duty, library work, coach, classroom assistant, field trip driver, or helper) will need to complete a background check if you have not already done so. If you think you will be helping in any setting with children this year, we will need you to fill out a form at the start of the year.
