Skill of the week: consonant blends.

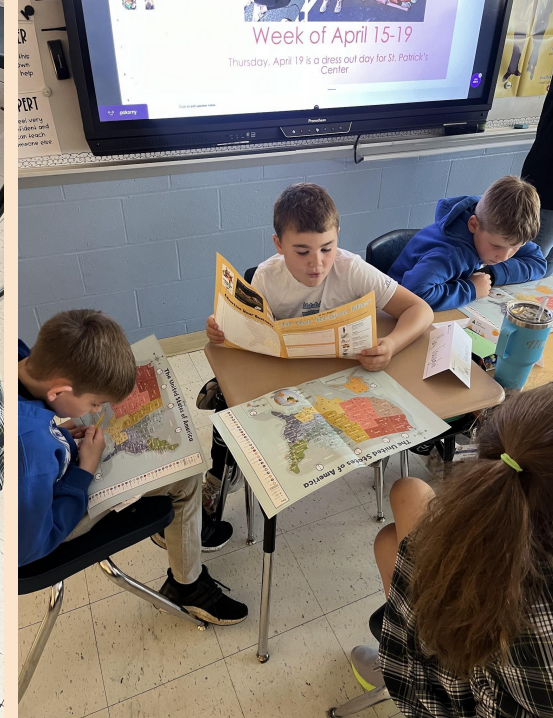

The students have done a wonderful job with descriptive writing this week!

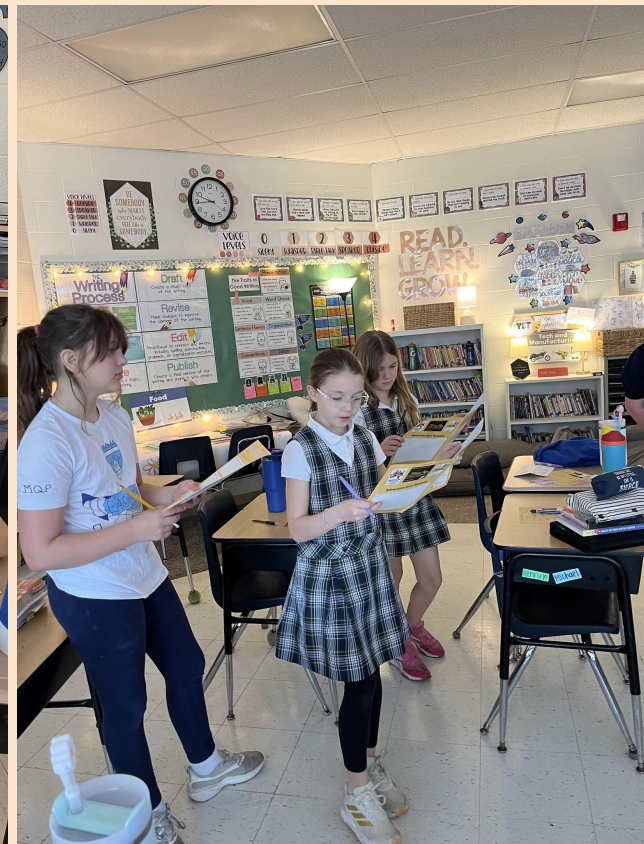

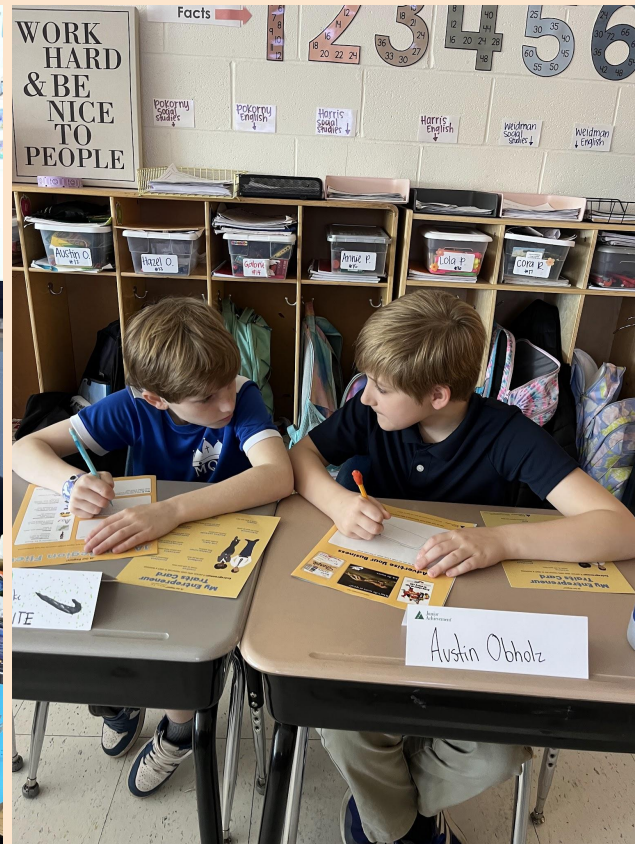

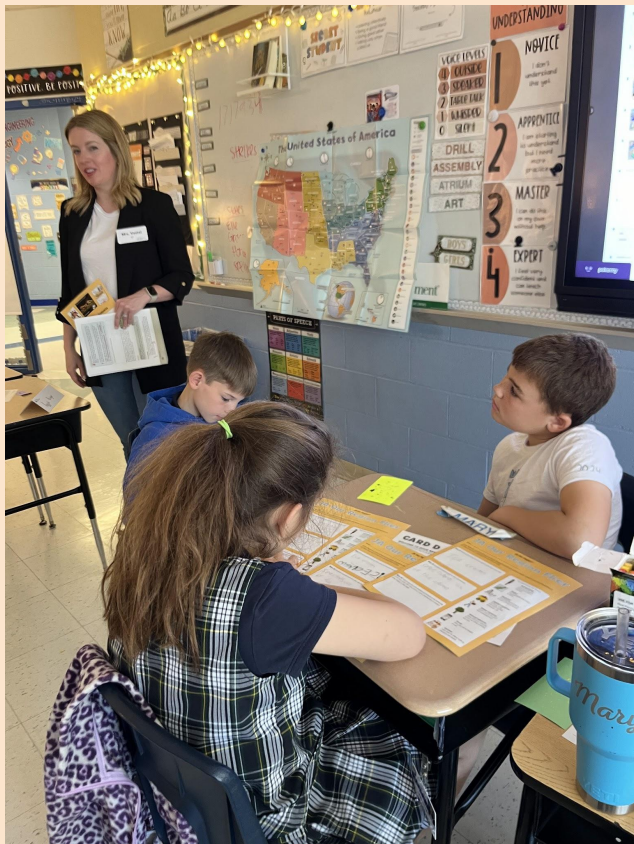

Thank you Mrs. Vestal for being our volunteer on Junior Achievement Day! The kids had a great time learning about business and entrepreneurship.

Focuses in each subject:

English: We will be completing our final copies of our descriptive writing units and designing our dream houses. We will then shift our focus to: pronouns (subject and object) and punctuation in dialogue.

Social Studies: We will finish up our focus on Inland South States, national parks, and begin reviewing for our assessment (early next week).

Tests/Quizzes this week:

Thursday: Science Quiz (Chapter 3, Unit D)

Friday: Unit 20 Spelling/Skills Test and Reading Test
