Here is what we've been working on this week:

Reading:

Our Stories this week: "Bread Comes to Life", "Nature Artists" "Nature's Art Fair" and "Look, A Home!". These stories have helped us learn about how some things are made using things from Nature. These stories have also focused on the long o sound and using adjectives.

High Frequency Words: I, the, can, we, see, a, like, to, and, go, you, do, my, are, he, with, is, little, she, was, for, have, of, they, said, want, here, me, this, what, help, too, has, play, look, where

NEW WORDS THIS WEEK: look, where

.

Math:

We are working on telling time to the hour. Ask your child to practice telling time at home.

Social Studies/Science: We learned how to identify poison ivy, so we know to stay away from it, especially now that we are spending more time outside. The slogan we learned was "leaves of three let it be". We also learned about how poison ivy took over a park and goats were brought in to eat it. They got rid of all of it! Goats think poison ivy is tasty and are not affected by it like humans.

Religion: We learned about Pentecost and how the Holy Spirit descended upon the Apostles.
