Open House Tour Dates

Open house sessions for interested families have been very successful this year! The last one is Sunday, March 7 from 10 am – 2 pm. Please invite someone! Word-of-mouth is still our best way of recruiting new students. Check with the school office to register, for the availability of our informational brochures, or to schedule private tours at other times.

Before and After School Care Policy

St. Cletus School is proud to offer in-house before and after school care starting this semester. As this is now a service of the school and parish, a new policy has been written to make sure that students are properly attended on school property before and after regular school hours. Please contact the school office or a school board

member if you would like more information about this policy before the school board votes on it in March.

Health and Discipline Policy Reviews

After the faculty review, school board members voted this month to approve clarifications to these policies. The revisions will be included in the 2021-22 school handbook.

School Board Election Nominations

Nomination forms for school board members are available now. Forms are due to Donna Pezold or Kris Marino by the end of March. Please contact them or the office with questions. Due to COVID-19, elections will be held electronically in late April.
