Enrollment Update

While COVID-19 has certainly affected education decisions, we are pleased to say that the school enrollment numbers still look good. There are 172 students enrolled in the K-8 program and 15 registered for preschool. We are so thankful for each and every one of you! Please continue to invite new families to check out the school and register at any time. Enrollment is open all year. Brochures are available in the school office.

School Board Membership Change

Fr. Benz has appointed Kris Marino to fill a recently vacated seat on the school board. Please join us in welcoming her!

School Policy Review

We have selected the committees to review the Health and Discipline Policies. If you have any comments or concerns with these two sections in the St. Cletus School Handbook, please contact us. The teams for the school's 5-year plan will also resume meeting in the coming months.

School Website

Christine Poulter has been trying to update school website, but it is not within her area of expertise. The school board will be looking at options for refreshing the website, and the new school Technology Coordinator will take over the maintenance of the site.

Our next meeting will be Monday, October 5 at 6:15 p.m. in the St. Cletus Parish Center. Visitors are always welcome! If you would like to speak during the open forum, please contact Mike Bardot before the meeting: call 636-751-5685 or email mikkatbard@sbcglobal.net.
