Mask Policy Update

Thank you to everyone for continuing to follow the current all-school masking procedures. The school board and administration are actively monitoring the COVID-19 case count in the City of St. Charles and surrounding area. If numbers continue to go down, then we will revisit the mask policy in accordance with CDC guidelines when the numbers of cases are in the 4.99-0% range.

School Policy Review

The school board reviews general St. Cletus School policy on a rolling basis. This year, we will examine the policies for communications and concerns and grievances. If you have any comments

or concerns with these two sections in the St. Cletus School Handbook, please contact us before our meeting on November 8.
