

Our Mission: Suburban Bethlehem Lutheran Church and School disciples each generation to grow deeply, serves humbly, and goes boldly in Christ to advance God's Kingdom.

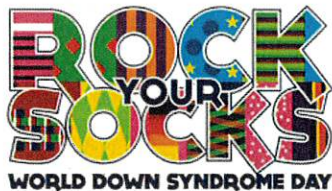

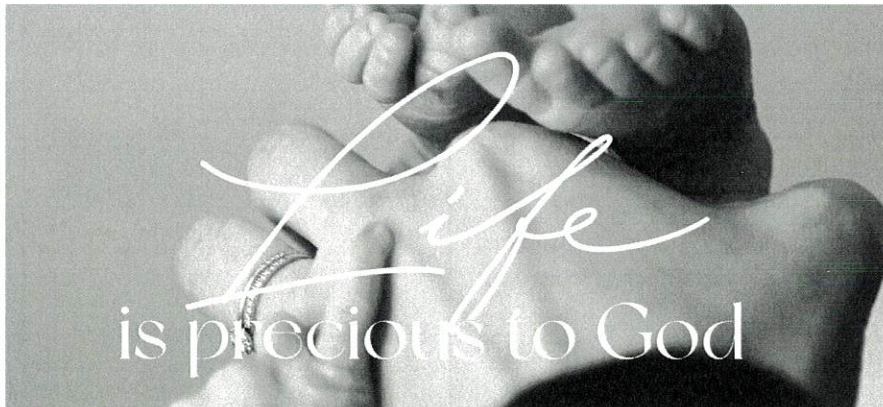

Principal's Message

God created each of us with purpose and love. The Bible reminds us in Psalm 139:14:

"I praise you because I am fearfully and wonderfully made; your works are wonderful; I know that full well."

Every person is a reflection of God's creativity and care. This truth calls us to value and respect one another, recognizing that our differences make us special.

I was asked if this Friday we could celebrate World Down Syndrome Day. (See flyer) People with Down syndrome, like all of us, are made in God's image and are a blessing to those around them. So, this Friday, March 21, we encourage children and adults alike to wear brightly colored or mismatched socks. These socks serve as a joyful reminder of the beauty of diversity. They symbolize our support and appreciation for our friends and family members with Down syndrome, celebrating their unique contributions to our lives. When we see someone who looks, learns, or lives differently than we do, let us remember that God has given them gifts and abilities to share. Respecting and loving others as God loves us is a way we can honor His creation.
