FROM THE PRINCIPAL:

Principal's Message

There are many events coming up to celebrate, get to know one another, raise monies, and have fun. Make sure you look over all the upcoming opportunities so you don't miss out. Thank you to those leading and organizing these so that all of us can be blessed through them.

Congratulations to Asa Patton, Blake Shelton, Kaitlyn DeRose, Cydney Perez, and Camille Johnson, this week's Famous Amos award winners. These students were "caught" being kind and helping others in many different ways without the prompting of others. What a blessing! Great to see our many students that help make our school a fun and safe place to be.

I don't know if you have heard of King Hezekiah but He was one of many earthly kings that ruled over Judah. He was one of the few that tried to do what was right in the eyes of God. He asked God's help to follow God's Word. Hezekiah had watched his father do quite the opposite and turn their place of worship into a place where the one true God was forgotten. Under Hezekiah's reign, God provided an amazing victory of the Assyrian army. They could have easily been defeated since the Assyrian's army was huge, but God delivered them in a miraculous way. We can learn from King Hezekiah to seek God with all our heart, to go to God in prayer, and ask His help to defeat those things in our life that want to destroy us. Hezekiah was not perfect and we see that God gives Him a second chance. That serves as a great reminder on how God does the same for us. He provides the ultimate second chance by providing us forgiveness. Jesus defeated sin, death, and the devil on our behalf. We are credited that victory through Jesus. What a joy we have to live in that victory. "The Lord is trustworthy in all He promises and faithful in all He does." (Ps.145)

May we be a generation that stays faithful and shares God's goodness to all the next generations. In a world filled with difficulty and deception, there is no greater gift we can give.

God's Blessings,

Mrs. Greener, Principal
