

ST. BRIGID SCHOOL Development Department

The Development team is responsible for implementing the major fundraising activities for St. Brigid School. The mission of the Development team is to promote and support the mission of St. Brigid School by implementing four to five fundraisers per year, which St. Brigid families and stakeholders are willing to support. Thus, making an investment in the future of St. Brigid School.

The Director of Advancement, Vince Ciampi, manages these activities. We encourage you to participate in all this year's upcoming events. Mark your calendars and look for more information in your Friday folder and on our website. Please contact Vince Ciampi to find out how you can help to support these events.

Leading up to this date, students are involved in classroom and school wide service projects which demonstrate how we model caring and serving one another and the world. The Annual Appeal is a request to all Our Lady of Hope Parishioners, St. Brigid School families, and St. Brigid, St. Joseph and St. Patrick School Alumni Friends, and Supporters to invest in the future of St. Brigid School by making an tax deductible Donation. These contributions support our continuous growth and prosperity as an educational entity where youth will be provided with an excellent education that draws on a rich history of Catholic Education.
