

September 23, 2021 was our 16th day of school.

While we couldn't celebrate our Sweet 16 together in person, Grade 3 had planned on helping our neighbors at the Sacred Heart/St. Dominic Food Pantry stock their shelves with sweeteners. (Food pantries seldom receive such donations.) We will simply do the collection next week, instead. We invite all of the St. Brigid School community to participate.

We will be accepting donations of all forms of sugar, honey, and alternative sweeteners, such as stevia. Donations may be delivered to either Mrs. Halpin's or Mrs. White's homeroom by Thursday, 9/30/21.

Please do not donate candy. We are only accepting donations of sweeteners for cooking and baking.
