Dear SPI parents and families,

Our year has been off to a great start! Both our students and teachers have been working incredibly hard as we have returned from our Christmas break. All of our classrooms and students have also continued to stay healthy and well. Each of you are doing an excellent job communicating with us and following all of the procedures that we have put in place. We would not be able to do this without your continued understanding and support!

A few reminders as we have officially moved into the winter weather:

- **Boots are not allowed in the classroom. Scholars need to have an extra pair of shoes each school day.**
- **Undershirts are to be solid white.**
- **Students may bring a sweater to school if they are cold during the day. Sweaters can be black or navy in color, and can not have a zipper or hood.**

If you have any questions about dress code, outerwear for recess, or questions on regular day to day school procedures, please contact us. We are grateful for each of you and your continued support. Have a great weekend and we look forward to seeing everyone on Tuesday!

In Christ,
Ms. Doherty
