Dear SPI parents and families,

*"I am with you always."*  
Matthew 28:20

HAPPY NEW YEAR! We were so grateful and excited to welcome everyone back into the building this week after break!

2021 was a year that we were all anxiously awaiting. 2020 is a year that we will never forget. We were all ready for December 31st to come and go so we could enter a fresh new year. Some may have set goals and were excited to see what the new year will bring for each of us. Others may have had difficulty setting goals and looking ahead in the midst of all that is going on in our world.

However we may be feeling as we enter this new year, we can all look to God- for peace, for comfort, for a place to rest, for encouragement, and trust that He is in control. He will always stay close to us and never leave us. If we are struggling as we enter this new year or if we are looking forward to what is to come, we know that in all circumstances we are not alone.

I pray that each of you have a wonderful weekend and we can't wait to see everyone on Monday!

In Christ,  
Ms. Doherty

## In-person learners

We have been very fortunate here at SPI to receive a fresh fruit and vegetable grant for our students. Each week, students will be receiving a fresh fruit and vegetable to take home. We will be posting recipes for each item they are coming home with on Fast Direct and Class Dojo if you would like to try them!
