From Mrs. Grellner...

The weather is finally beginning to cooperate with our spring wishes. Many students have been coming to the office in search of cups for water. Please make sure your child(ren) brings a water bottle to school everyday.

The All Things New School Survey is open until May 2. Please take time to complete this survey.

La Festa is this Sunday! This is always a fabulous day! Please remember to sell raffle tickets and send in bottles for the bottle blast. If you preordered tickets and armbands, please pick them up at the ticket booth by the rectory/deck in the middle of the parking lot.

We have had two positive Covid cases reported in our school in the last week. I promised to keep you all informed. We went a long stretch with no cases. Cases are rising a bit in the city of St. Louis. When a positive case happens, I will notify the entire class.

Please remember our 8th grade as they receive the Sacrament of Confirmation this Saturday. Keep them, their sponsors, and their families in your prayers. We are so very proud of them!

Good luck to Packie Ertmann, George Vacca, and Nathan Khouri at the final Bellarmine Speech League meet of the season on Saturday!
