## From Mrs. Grellner...

I hope everybody had a restful and fun spring break! The weather was so nice! The 2022-2023 school calendar is on Fast Direct. I cannot believe we are in the part of the school year where we begin to plan for next year. Please make sure your registration is turned in. We have had many potential students tour our building for next year.

St. Ambrose Forever is hosting their annual mostaccioli dinner on April 3. They are asking the students to presell dinner tickets before the day of the event. If we reach 500 sold before the event, St. Ambrose Forever will have a cold treat for all the students in school during the last week of classes!

Our fourth quarter virtue is kindness. What a fabulous way to wrap up our year of spreading JOY! I look forward to watching our staff and students live out the virtue of kindness for the next 10 weeks...and beyond.

*Our spring concert for grades Pre-K-3, 1, 3, 5, 7, Show Choir (Elective) and St. Ambrose Choir is April 5, in the gym. Students should be in their classrooms by 6:45. Please refer to Ms. Wagner's letter sent before spring break for details.*

Here is the link for the St. Ambrose Forever scholarship application. I am so very grateful for the work this group does to support our families.

The fourth quarter began yesterday. As the weather gets nicer and the days are longer, it becomes harder for the kids to stay focused on their studies. I encourage you to keep routine and structure in your homes in the evenings. Help them find a good balance of homework and studying along with time outside to play. Please remember that a good night's sleep is also crucial to your children's physical, emotional, and academic growth. End each night with a good book!
