From Mrs. Grellner...

As we spend Holy Week preparing our hearts for Easter Sunday, there will be no after school clubs or meetings held on St. Ambrose's campus this week. Our middle school will present Living Stations of the Cross in church on Wednesday at 2pm. Visit the church bulletin at this link to find out the rest of the Holy Week Schedule.

There is no school on Holy Thursday, Good Friday, or Easter Monday. When we return next week, we will hit the ground running with a few very busy weeks left. We still have a lot of learning to do with some fun things mixed in.

I am so excited for LaFesta on May 1! Let's all pray for wonderful weather as we gather as a community for some yummy food and games. We have three floors of classrooms in our school building. The floor that sells the most raffle tickets will receive a dress down day for the week after La Festa.

It is very important that we all chip in to make LaFesta a successful event. In the past, parents have been required to volunteer at different events throughout the school year. This all changed over the last two years. We are finally getting back to having our fun events. I am asking that each family signs up for a shift on May 1 and support us!

As we plan for the '22-'23 school year, we will need to hire adults and college aged kids to help us with Extended Care. These are paid positions. Morning Care is from 6:30-7:30am and after school care is from 2:45-5:45. Please spread the word and send any applicants my way.
