- 4/22 Pizza Day
- 4/23 Father/daughter
- 4/24 Mother/son
- 4/27 First Responders' Mass
- 5/1 La Festa
- 5/2 No School

From Mrs. Grellner...

Happy Easter! I hope you all had a wonderful long holiday weekend with family. The events of the Triduum give us much hope and joy. We were reminded of God's love for us and the promise of eternal life. Tomorrow we will unbury the Alleluia that we laid in the ground on Ash Wednesday.

The next six weeks are going to fly! Please make sure you are monitoring grades and emails in Fast Direct. It's hard to stay focused when the weather is nice (which will hopefully happen SOON) so it is important to stick to routine with homework and bedtimes.

There are still some slots left to fill for La Festa. I encourage every family to help out.

We are already planning for the '22-'23 school year. The calendar is mapped out and posted on Fast Direct. (Please know this is subject to change.) I am looking for help in our before and after care program. These are paid positions. Please talk with your families and friends and help us find the right people.

Beginning on Monday, April 25, we will no longer take temperatures at morning drop off. I ask that you please continue to not send sick kids to school. Please do not give fever or pain reducing meds and hope for your child to "get through the day". It is not only Covid that we do not want to share in our building. Strep, the flu, and all sorts of other viruses are moving among us. We must try to contain them too.
