Upcoming dates

1/12 Report cards will open
1/17 No School

Open House

January 30, 2022

Open House will be by appointment only. Please share the link that will be on our website later this week. Perspective parents can always call the office to set up a private tour as well. Help me spread the good news of St. Ambrose and encourage parents to visit us!

I am sorry, but we will only be allowing the few tour guides and people with appointments at Open House this year.

I am so excited!! Did you know that we have a sensory room on the fourth floor? Mrs. Horner, Mrs. Pettus and I have been working to finish this sensory walk. We were blessed this week to have DuBourg seniors doing their service hours with us. Thank you, Abby, for working on it!

From Mrs. Grellner...

Wow! What a first week back! As you have heard, Covid is ever present in our community. Please know that the teachers are working very hard to keep everybody masked and spread apart. I know it is frustrating as a parent to deal with these quarantines and isolations. Everybody should have a plan B just in case. As long as we have staff, we will stay open, but cases have popped up this week among the staff as well. Please be prepared for anything. As I track cases in our building, it is clear to me that, like research shows, this strain is traveling through asymptomatic and vaccinated people. We have little control and can only do our best here at school. I encourage you to avoid social gatherings over our long weekend.

Registration was posted yesterday morning on our website. Please turn it in by January 28, as we will begin welcoming new families on January 30.

Thank you to Father Jack and Mrs. Hogan for helping to write our new tagline. You will begin to see this on our marketing materials and other documents.
