Wednesday, March 2, is Read Across America Day. It is Theodor Seuss Geisel's, otherwise known as Dr. Seuss, birthday. Many of the teachers have fun things planned to celebrate this week. The most important thing you can do at home to support your child's education is read to or with him/her every day.

After mass on Monday, we burned psalms to be used on Ash Wednesday and buried the Alleluia.

From Mrs. Grellner...

I am so excited that we have a full week of sunny days ahead of us! The weather was not kind to us in February, but I have big hopes for March.

I met with the City of St. Louis Health Department last week. They will be voting on the mask mandate this coming weekend. We, at St. Ambrose, are working on the next steps for us to be prepared when the mandate is dropped. Our plan will have to be based on metrics and also be approved by the Health Department before we make any changes. I will keep you posted.

Good luck to Andrew Keiser who will participate in the St. Louis Post Dispatch Semi-Final Spelling Bee this weekend.

Good luck to our Bellarmine Speech Team who will participate in a meet on Saturday at Visitation Academy. Break a leg! Thank you to Ms. Offner, Mrs. Gayer, and Mrs. Khouri for coaching our team.

Millie from DuoDogs was here today for our small groups with grades 3-8. I want to thank Emily Fragale for getting me in touch with this organization. It was truly a wonderful experience!

Tomorrow is Ash Wednesday. We will celebrate mass and receive ashes to begin our Lenten journey. The teachers will work with the kids to teach them about the season of Lent. I encourage you to talk as a family about this season where we experience God's love and forgiveness through the death of Jesus. We will go to church for the Stations of the Cross on Fridays at 2:15. On April 13, the 8th grade will lead us in the living stations at 2pm. You are welcome to join us.
