Check out these kindergarteners sharpening their language arts skills!

From Mrs. Grellner...

This is a relatively quiet week nestled between spring break and Easter. We are preparing for our spring concert and digging deep into the fourth quarter. Third quarter grades will open to you on April 6.

We are still looking for some high schoolers and adults to help at the Mostaccioli Dinner this Sunday. Here is the sign up:

The St. Louis Public library has chromebooks and hot spots available to check out. Here is the link for more information.

Our spring concert for grades pre-k-3, 1, 3, 5, 7 and our show choir and St. Ambrose Choir. **This is in the gym.** Please come in the front school doors and drop your child in their classroom before 6:45. Doors will not open until 6:30, as this is when teachers will be in their classrooms for supervision. Ms. Wagner sent an email regarding costumes. Please send those to school with your child on Tuesday morning.

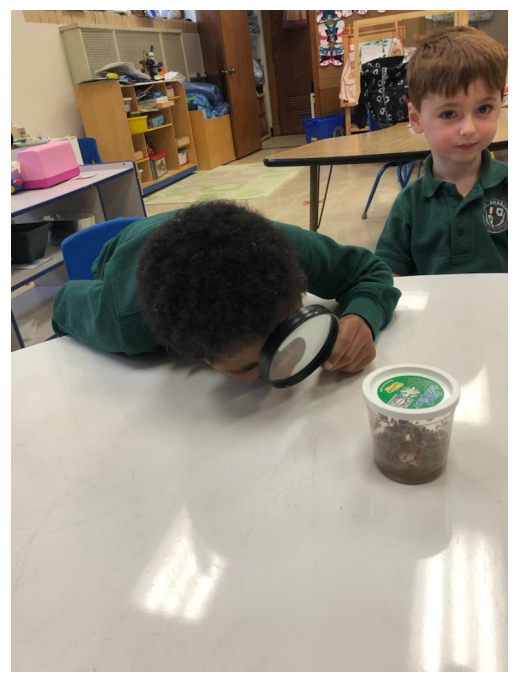

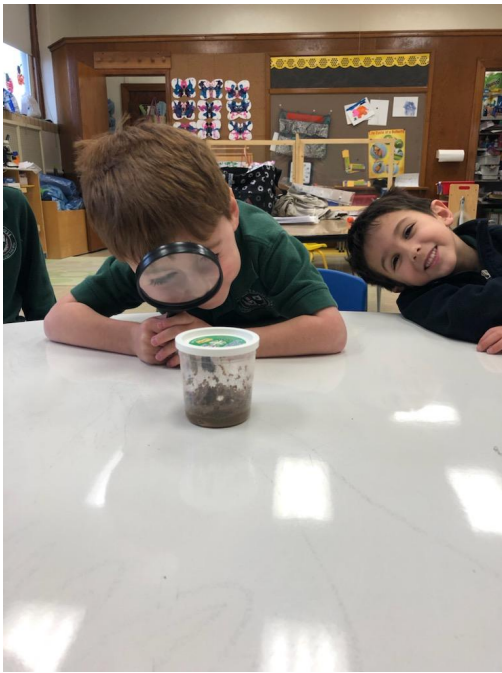

Thank you so much for keeping the teachers' lounge full of snacks, drinks, and other goodies! We have really enjoyed everything and appreciate your kindness! Thank you to Laura Berns for organizing this!
