From Mrs. Grellner...

Only a few short days until a well deserved spring break. I am praying hard for nice weather.

As presented in the plan, we will make the transition to "mask situational" on March 23. Thank you for your support!

A HUGE thank you to Ken Weiss and Renee Sullivan for helping to get our classroom windows labeled with room numbers. I am so grateful for the time they spent making and cutting out the numbers and to Mr. Weiss for spending several hours getting them on the windows.

Thank you to Mark Stika for the new cones that will keep our children safe in the parking lot. We really appreciate your kindness and generosity!

Congratulations to our Bellarmine Speech Team! Our team did a fantastic job!

"Evening of Song"

Our St. Ambrose choir, the Visitation choir, and a visiting choir from Kansas City will perform an "Evening of Song" in our church at 7pm. The Kansas City choir will also lead the music at 5:00 Mass.

Our kids are growing so fast! Spring break is a good time to evaluate the length of your daughter's skirt. Many are pretty short. Hopefully there is a hem you can have taken out.

Palmer music is taking registrations for the '22-'23 school year. These classes are held during the lunch hour and right after school, depending on the instrument. Please call 636-225-5741 with any questions.

The 150 Club dinner is scheduled for April 2. There are still tickets left! Please join us for this wonderful night at Windows on Washington! All funds benefit St. Ambrose School. Call the school or parish office and we will happily send you a registration form.

"All Things New" is an Archdiocesan initiative that seeks to restructure the parishes and schools. The survey for St. Ambrose Church is open. Please take the 10 minutes to let the Archdiocese know how you feel about your faith experience at St. Ambrose. The link is <https://portal.catholicleaders.org/dmi/survey/y23yay>. A different survey will be sent to school parents on April 4, regarding your experience at St. Ambrose School.

St. Joseph was the foster father of Jesus. March 19 is the Feast Day of St. Joseph. St. Joseph Altar is a tradition that originated in Sicily when the people prayed for the intercession of St. Joseph to end a terrible famine. Each year, we celebrate St. Joseph's altar. This will happen at St. Ambrose Church on March 20. This Friday, during the 7:55am mass, the students will watch the Tupa Tupa play that represents the Holy Family's search for food and shelter. A table for the Holy Family will be set on the altar and the students will receive a small loaf of bread from the St. Joseph Altar committee.
