order form due

The weather is warming up!
Please make sure your child
has a water bottle with them
every morning.

From Mrs. Grellner...

I apologize for the delay in the newsletter this week. It has been very busy in the office! I also apologize if you have sent an email and I have not responded. I'm working my way through it all! We have a busy three weeks ahead of us! Here are a few tidbits of info...

Please remember that, in order to receive the lower parishioner tuition rate for next year, you must be registered with OSV. This requires you to contact Lydia at the rectory to make the change with your online giving.

As of this morning, we have fourteen positive Covid cases in our school building. Please continue to keep your kids home if they don't feel well and/or have any symptoms. I will continue to let you know if a Covid case arises in your child(ren)'s class. Thank you for your support.

There are two PTO special lunches this month. An order form for our last one will be coming home soon.

On May 17, we will gather in the parking lot a few minutes before dismissal to "Clap Out" our 8th graders. We wish them all well as they graduate and head on to new adventures.

Our last day of school is Friday, May 27. Mass will be at 7:55 that day. Dismissal will be at noon. There are some pews in the back of the church if you would like to join us. The mass will also be live streamed.
