

# St. Ambrose Advisor

*The fourth grade did a pumpkin drop from 10 feet. Four of them survived without a crack!*

## From Mrs. Grellner...

How is it November already?! I often have to remind myself to slow down. I frequently find myself wishing for the weekend...that day off...that fun event...that holiday. As we work on the virtue of gratitude this quarter, I am trying to pay better attention to and be grateful for all of the blessings in my life. This year has brought a lot of change to St. Ambrose. I am so very grateful to all of you for your support and confidence in me. I encourage you to spend time with your families talking about all of your blessings and reasons to be grateful.

Ms. Wagner sent out an email last week regarding our annual Christmas program. We are changing things up a bit this year. First of all, in order to hold this event, we need to be able to spread out. Second, we are blessed that St. Ambrose is growing. 244 kids is too many to keep occupied and organized in the church hall and then try to fit on the altar for the finale. It is time to break this up. The Christmas concert, on December 7, will include grades pk4, K, 2,4,6, and 8. The rest of the school will participate in a spring concert. I will get the spring date set ASAP.

Thank you for taking time to meet with the teachers last week. While this is our only formal conference time, please feel free to reach out to your child(ren)'s teachers at any time.

Last Wednesday, I sent out a School Messenger message. Please let me know if you did not receive it.

We could really use an extra parent volunteer to help us on the playground from 11:30-12:30 for the next month while one of our staff members is on leave to take care of a family member. You must be compliant with Prevent and Protect.

Have a wonderful week!

## Upcoming dates...
