I would like to welcome you to St. Paul Catholic School. We are pleased that you would like to learn more about our wonderful school.

We are a school that centers around the love of God. We are a place of excellent academics and a place where each and every child is challenged to do their best and is given all the tools that are necessary.

We are a community that takes care of each other: through prayer, love, respect, and helping each other. We have a very qualified and professional staff that creates an atmosphere where all can excel, their love for the children is overwhelming.

Our school and parish are places of true goodness and wanting the best for each person. We have wonderfully dedicated parents who are very involved and encouraged to be active participants in the school. But most of all we have extraordinary children who know that this is a place where they can come and feel loved, respected, encouraged, safe, and part of the family.

We hope that you will join us.

God bless you and your family.  
St. Paul, pray for us

Msgr. Kevin G. Callahan  
Pastor

Dear Parents:

Since the stability of our school and the quality of our programming are of utmost importance, we are always seeking ways to make improvements to benefit everyone. After much research and investigation, we have decided to partner with FACTS Management Company to help us manage our tuition payment program. Many local private schools use FACTS along with many of the private high schools in the St. Louis area.

One of our primary goals this year at St Paul, at the request of the Archdiocese, is to concentrate our efforts on improving the business side of our school. By taking advantage of the security and convenience of payment processing and information technology offered by FACTS, we remain committed to this goal.

You will realize these benefits by using FACTS for your tuition payment plan:

✓ TUITION PAYMENT PLAN: You may choose either:

- BI-MONTHLY
- MONTHLY
- SEMI-ANNUAL
- ANNUAL

Automatic payments can be made from a checking or savings account or from a variety of credit cards, if applicable.

✓ ENROLLING IN FACTS: You will receive an invite from FACTS, via email, with information necessary to enroll. Included in the invite will be the website you will need to access.

✓ CONVENIENCE AND SECURITY: Along with multiple payment plan options, your payments are processed securely through a bank to bank transaction.

✓ CONSUMER ACCOUNT: You may check your personal account or make payments online from the convenience of your home or office anytime.

One of the universal challenges in Catholic education is achieving a balance between educational mission and financial stability. It is precisely for this reason we are enlisting the help of FACTS Management Company. With FACTS, St. Paul maintains decision-making control. As always, we will continue to work with families should special circumstances or "hardship" cases arise during the school year.

Thank you for your continued support and loyalty for St. Paul School. We depend on your support in our efforts to provide the highest quality of education for your children. Your continued support and cooperation is appreciated, as we remain committed to our mission of "Growing Together in Faith, Knowledge, and Virtue.

Please call us if you have any questions.

May God bless you and your family,

Monsignor Kevin Callahan  
Mrs. Fran Nieburg

St. Paul pray for us.
