Jesus said, "Let the children come to me, and do not prevent them: for the kingdom of heaven belongs to such as these." Matthew 19:14

I would like to welcome you to St. Paul Catholic School. We are pleased that you would like to learn more about our wonderful school.

We are a school that centers around the love of God. We are a place of excellent academics and a place where each and every child is challenged to do their best and is given all the tools that are necessary.

We are a community that takes care of each other: through prayer, love, respect, and helping each other. We have a very qualified and professional staff that creates an atmosphere where all can excel, their love for the children is overwhelming.

Our school and parish are places of true goodness and wanting the best for each person. We have wonderfully dedicated parents who are very involved and encouraged to be active participants in the school. But most of all we have extraordinary children who know that this is a place where they can come and feel loved, respected, encouraged, safe, and part of the family.

We hope that you will join us.

God bless you and your family.

St. Paul, pray for us

Welcome to St. Paul Preschool Program. St. Paul educates young children by encouraging their natural curiosity through a nurturing, investigating, and playful environment. Our program honors each child's unique learning style tailoring our curriculum to your child's individual needs.

St. Paul preschool students are involved in an active and rigorous curriculum which includes language and fine motor skills, math, science exploration, gross motor and physical education skills, art, music and movement, dramatic play, religious education, and social skills. We are dedicated to preparing our children to be successful in school by creating a love of learning.

St. Paul Preschool makes it convenient for parents to choose programming for their child. We offer half day and full day programming with a choice of 2-5 days a week. We also offer before (6:30-7:30 am.) and after (2:45 – 6:00 pm.) school Kids Club for our students.
