I/We, the undersigned, _____
(parents name)

Parent or guardian of a minor participating in soccer camps at Olivet Nazarene University, do hereby authorize the participation of, and accept responsibility for the attendance of, said minor in the above clinic and all activities in connection therewith, conducted under auspices of the Olivet Nazarene University Department of Athletics.

Since the law requires that parental permission be obtained for most medical procedures on minors, I/we wish to give permission for the trainer of Olivet Nazarene University to perform such diagnostic, therapeutic, and operatic procedures as he or she deems necessary for my/our child.

I/we understand that my/our consent will allow procedures to be promptly carried out so that no unnecessary delays will occur with treatment. No operation will be performed, except in extreme emergency, without the parent(s) being contacted and fully informed and consent obtained.

I/We also understand that the Olivet Nazarene University coaches have the right to send my/our child home without refund for damages, inappropriate activities, or misconduct, and that I/we may be billed for damages or other replacement costs resulting from theft or damage.
