

# Setting Up Student Computers

## Instructions to Set Up a *Chromebook*

- First, turn it on.
- Select your language and click “Let's go.”
- Connect to a WiFi network.
- Then enter your Google Account details.
  - Your student's Google Account will be their first initial and last name followed by @sptigers.info
    - For example, Jane Miller's Google account name is [jmiller@sptigers.info](mailto:jmiller@sptigers.info)
  - If there are multiple children with the same first initial, the first child will use their first initial, but the second child will use their full first name and last name.
    - For example, Jane Miller and Joseph Miller are siblings who share the same first initial. Since Jane is the oldest, her Google account name is [jmiller@sptigers.info](mailto:jmiller@sptigers.info). Since Joseph is younger, his Google account name is [josephmiller@sptigers.info](mailto:josephmiller@sptigers.info).
  - The Google account password is their birthday in the following format: lowercase month, day, year.
    - For example, Jane Miller's birthday is November 7, 2014. Her password is november72014. Joseph Miller's birthday is May 28, 2016. His password is may282016.
- You're ready to get started!

# Setting Up Student Computers

## Instructions to Set Up *Non-Chromebooks*

- Turn on your computer and log in to get to the main desktop.
- Install the Google Chrome browser.
- Once installed, enter your Google Account details.
  - Your student's Google Account will be their first initial and last name followed by @sptigers.info
    - For example, Jane Miller's Google account name is [jmiller@sptigers.info](mailto:jmiller@sptigers.info)
  - If there are multiple children with the same first initial, the first child will use their first initial, but the second child will use their full first name and last name.
    - For example, Jane Miller and Joseph Miller are siblings who share the same first initial. Since Jane is the oldest, her Google account name is [jmiller@sptigers.info](mailto:jmiller@sptigers.info). Since Joseph is younger, his Google account name is [josephmiller@sptigers.info](mailto:josephmiller@sptigers.info).
  - The Google account password is their birthday in the following format: lowercase month, day, year.
    - For example, Jane Miller's birthday is November 7, 2014. Her password is november72014. Joseph Miller's birthday is May 28, 2016. His password is may282016.
- You're ready to get started!
