

A Peek at Our Week Friday, April 19th, 2024

Important Dates

- Baby pictures were due by today, April 19th. If you have not sent a picture, please do so.
- Book orders are due Friday, April 26th.
<https://orders.scholastic.com/GKTB2>
- Kindergarten Group Photo - We will take a formal class photo on Thursday, May 2nd. Order forms will go home as soon as I have them.
- Our spring field trip is scheduled for Friday, May 24th. More information will be sent out when the trip is closer. Any parent who would like to chaperone is welcome to join us.

What We Learned

Bible - We learned about Jesus appearing to the disciples and later ascending into Heaven. We came up with ways we can teach others about Jesus. You can find resources for home at: <https://learn.cph.org/kindergarten/> This week, we covered lessons 59-60.

Literacy - Digraphs - review Sight Words: ask, walk, every, one

We continue to practice many phonemic awareness skills daily. This week we have continued to practice sound fluency, reading nonsense words and identifying which ones rhyme, and changing beginning digraphs to make new words.

We read books about trying and not giving up. We drew and wrote about our favorite parts. We also practiced changing nouns from singular to plural.

Math - We are learning about 3D shapes! We learned about cubes and spheres this week.

Science - We are learning about insects. We are watching our caterpillars grow and grow!

Announcements

- Library volunteers
