

Mrs. Campbell's First Grade Happenings

For the Week of March 11th

BOOK BAG NEWS

- On Monday's, Tuesday's, and Thursday's, the older students are raising money for the relay for life by selling snacks in the lobby before class starts. All items cost one dollar.
- Monday is Charleston reward party. The children can wear P.J. We will have popcorn and a movie.
- Please bring library books on Tuesday so the kiddos can get new ones. Thanks! 😊
- Please bring a pillow and Dr. Seuss books with your child's name written on them for tomorrow. We didn't have time today (Thursday) to chill with a good Dr. Seuss book.
- Shout out to your children for a great job with our debate teams. They had pictures to choose from for the debate. They voted on the horse and the race car. The two teams came up with great reasons why their horse or race car would win the race. I was so proud of how well they worked together without any arguments. 😊
- We did the star reading test this week. We will do the star math test tomorrow (Friday).

Announcing! Our Academic Updates

Religion: Each week, we draw names to see which student in our class we will pray for. The following week we draw new names and take a guess who had their name. We talk about Almsgiving, fasting and prayer.

Also, one student each day tell the class one kind deed they did or witnessed and pulls a thorn (toothpick) out of Jesus's crown. We color squares on our path to Easter for a count down.

We just started putting a lima bean in a container for each good deed/act of kindness we do or see. (kind words, a smile, helping someone, encouraging others) We are trying to change our habit of looking for all the wrong

things people do and pointing it out to them. We are looking for positive behavior in people.

Chapter 10 - "Jesus Teaches Us to Pray"

Communication is very important in all our lives. It helps us to stay connected, to know what is going on, and to learn from one another. God gave us the gift of communication to stay close and in touch with him. Prayer is an important way we can communicate with God. We talked about all the ways we can communicate with one another. We read the scripture from the Gospel of Matthew. (Matthew 6:5-13). We read and reflected on each line in the Lord's Prayer and learn motion to go with it. We will make a prayer bracelet.

Math: We will learn to subtract a number from 10, identify a dozen and half dozen, measuring using feet, and adding 9. Test March 15th.

English Language Arts: We will learn the ay spelling pattern, associate y with long /e/ and long /i/, homophones to, two, and too, and the memory words are too, work, many, and first. The vocabulary words are produce, plenty, and disturb. The short story is "In Case of Rain". The main story is "My Happy Rainy Day." The library books are "Super Brother." "Goodbye to the Fast Cat", and "Gus, the Duck Billed Platypus." The Super Smart reading is "Storms Ahead!"

Spelling Words: by, fly, try, cry, belly, jelly, smelly, bunny, funny, sunny. Test March 15th.

Sentences: It is not Sunny. We will stay in. Test March 15th.
