BOOK BAG NEWS

- Monday, some in the morning and the afternoon we will have activities while waiting for the Solar Eclipse.
- The Field trip to Meramac Caverns is set for April 25th. Please send in your permission slips and money if parents plan to chaperone.
- Wednesday, we had our Easter activities that we didn't get to do last Wednesday.
- Thursday, we celebrated our reward party for compliments given to the children from other teachers. We made tents and watched a movie with popcorn.
- Last Wednesday was the last week for Prevent Education. She always reads a book on the lessons, discussion, and activity. The first lesson was thinking of what makes you happy and then thinking of it when you are sad. The next lesson was on buddy words. Tell people when they do good. When someone looks sad cheer them up with kind words. Another lesson was on worry. She read the book "Ruby Finds a Worry." The point of this lesson was to tell someone you trust about your worry. When you keep it inside, the worry grows and grows. When you tell someone, it will shrink.
