

Mrs. Campbell's First Grade Happenings

For the Week of May 29th

BOOK BAG NEWS

- SFBGS **Band** will be performing at SVS this **Monday**.
- We will take our **NWEA Math Test Tuesday**.
- We will take our **Star Reading Test Thursday**.
- We finished our NWEA Reading Test last week.
- We will be decorating **T-shirts** for the students to **wear on the last day** of school. The kiddos will sign each other's shirts. Please send a **white** T-shirt with their name on it by **May 9th**. Thank you!
- **May Crowning May 3rd**.
- **May 10th is Field Day**.
- Your child will be making a **Time Capsule**. I will send home a letter with ideas for things to put in it. We will also be making things for the time capsule at school. Just a few ideas to think about, you may have pictures, coloring pages, written stories or schoolwork or a wrapper of a child's favorite candy wrapper to put in the time capsule.
- The kiddos are enjoying **popping a balloon a day** with a note inside that tells us an activity, treat or science experiment to do. We have 17 more balloons left to pop for the countdown till the end of school.
- So far, the students have made paper airplanes, chewed bubble gum in class, show n tell, and science experiments. We made lava lamps and made raisins dance.

Chapter 17 - " We Celebrate the Resurrection" - We will act out a play for the scripture Mark 16:1-8. We will also make a butterfly to remind us of new life. Butterflies start out as caterpillars, and then go into their cocoon and come out with new life as a butterfly. This is just like when Jesus comes out of the tomb with new resurrected life.

Math: We will learn to identify and count quarters, subtract two-digit numbers, identify cold, warm, and hot temperatures and read to nearest 10 degrees, subtracting half of a double. We are taking our test for Lesson 25 on Monday or Tuesday. We will take Lesson 30 next week on Monday or Tuesday.

English Language Arts: We will learn the combination /ar/, /or/, /er/, /ur/, /ir/ sounds, suffix /ful/, characters, setting, problem, solution of a story. Our memory words are both, again, laugh, cold, does, and know. The vocabulary words are vast, fear and report. The short stories are "Party Planning", and "Sal and the Fire Department". The long stories are "Fire!" and "Slumber Party". The super smart interactive story is "That's not so Scary". The super duper is "Hot Stuff". **Test May 3rd**.

Spelling Words: hard, card, corn, horn, turn, burn, bird, third, again, does, cold, know, both, laugh. **Test May 3rd**.
