### Contacting Miss Ashley

Feel free to contact Miss Ashley using Fast Direct. I am hoping to make her an administrator on the App Classtag so she can respond to questions and see messages.

I will also be checking Fast Direct and Class tag frequently so do not hesitate to contact me if you need anything.

### Homework

With baseball season coming soon we will no longer have homework on Tuesday and Thursday nights. If you are looking for a way to practice reading skills at home, reread the decodable books that are sent home in the Wednesday Envelopes.

### Accelerated Reader (AR) Tests

I sent out every child's password in order to take AR tests at home. This is completely optional but by taking an AR test you can make sure your child is comprehending what they are reading.

Students can take an AR test over books they read or that are read to them.
