Attitude of Gratitude

I want to thank Mrs. Ashley for stepping up and doing a wonderful job this week. She reported that all the students were well behaved and it went smoothly.

Thank you to everyone!!

Easter Egg Fun

Monday Mrs. Ashley will be sending home a fun activity that will need to be returned back to school Wednesday.

Accelerated Reader (AR) Tests

I sent out every child's password in order to take AR tests at home. This is completely optional but by taking an AR test you can make sure your child is comprehending what they are reading.

Students can take an AR test over books they read or that are read to them.
