

# Hi! I'm Mrs. Boenker

I am so **excited** that I get to work with you and your child this school year! 😊 I will be **teaching** third grade English, math, and language arts. We are going to have a tremendous amount of **fun** and learn many new things. I can't wait to get to know you and your child better. I am ready to get things **rolling**!

Since your child will be spending so much time with **me**, I wanted to tell you a little bit about myself. My name is Mrs. Jennifer Boenker (pronounced "Banker"). I have been married to my wonderful husband, Dan, for almost twelve years, and we have two **amazing** children. Our son, Logan, is ten and will be in fifth grade at SVS. Our daughter, Molly, is eight and will be in third grade with your child!

I have my bachelor's degree in **elementary education** and my master's degree in education administration. I taught first grade for **seven** years at Boone Elementary School in the Lincoln County R-III School District. I stopped **full-time teaching** when my son was born, but substituted for various grade levels during that time. This is now my fifth year teaching third grade at **St. Vincent School**. I am also teaching STEM, library, typing, and conducting DRA tests during the afternoons.

I absolutely **love** teaching and am so **grateful** to work with such great people at SVS! I hope to help your child become a **life-long learner** with a passion for his/her education. Please let me know if you have any **questions** or concerns. I look forward to working with you this year and helping your child **succeed!!** 😊
