

3rd Grade Weekly Newsletter

Notes

- Your child has until May 16 to reach his/her AR goal. Remember that all quizzes must be taken over books on your child's level. Also, your child's overall test accuracy has to be at 80% or higher in order for him/her to reach his/her goal. This past week was the last week to check out books from our school library. However, your child may still borrow books from my personal library to use for AR.
