

## **Kindergarten Social Studies Week of April 22**

**Tuesday:** What is a Map? - Students will explain what a map is and how people use it. We will read a text called "On a Map" and do the "Sam on the Move" activity. Students will move Sam to the correct spot on the map when given directions.

**Wednesday:** Mapping Our Classroom - We will make a map of the classroom and include the most important locations. We will read the text "Mapping Locations" before doing the activity.

**Thursday:** Map Symbols - Students will learn about different symbols they may see on maps. We will create an anchor chart with several common map symbols.

**Friday:** My Town on a Map Craftivity - Students will create a map of their town. They will be given different materials to use to create a map with a key as well.
