

Second Grade Highlights

May 1, 2024

Religion News

This week, we have been learning about Mary in preparation for the month of May and the May crowning on Friday. Next week, we will focus on our call to be disciples.

Math News

Tomorrow your child will take another test over 100 subtraction facts. The goal is for your child to improve with each of these tests. We are now practicing the x 2 facts. The test will be next Wednesday, May 8.

We are learning about equal groups word problems. Next week, we will learn about intersecting lines and perpendicular lines.

Language Arts News

Your child will take a spelling test on Friday. There will be one more spelling test this year on Tuesday, May 14. Your child will receive the list of words on Monday.

Next week, we will be reviewing various spellings for the sounds of long l and long o. We will also learn about irregular comparative and superlative adjectives (Example: good, better, best).
