This month's learning focus:

WOW!!! These kids did such a great job learning how to dress themselves in their outdoor gear! Besides putting mittens on and pulling snow pants over boots, they could do everything else by themselves! This month we will focus on strengthening our cognitive and creative skills by finding new ways to explore and learn in our inside environments.

Chapel Offerings:

Beginning January 10 - March 6, our school is collecting various animal care supplies for the Hinsdale Humane Society. See the link at the bottom of the page for some suggestions. Your child can bring donations up to the altar at the church on Wednesday mornings during chapel. Thank you for your support!
