*The Mousetrap Machine Show is a science assembly program that combines Science, Math and Art to teach students about how five simple machines work: The Lever | The Wheel | The Pulley | The Inclined Plane | The Screw*

*During the assembly, over 25 student volunteers demonstrate the workings of these five simple machines using fascinating oversized balloon sculptures. Balloon wheels on a motorcycle really turn, pulleys really lift weights and balloon screws even fly through the air! At the end of the show, all five machines combine to form an incredible mousetrap that really catches a runaway mouse in an unforgettable assembly finale.*

*A truly innovative and unique science assembly, the Mousetrap Machine Show leaves kids excited about science and wanting to learn more!*

## School Fundraisers

Mark your calendar for the next school fundraiser, which will be Teachers Night at the Menasha Papa Murphy's location. The date is Monday November 21st. A portion of all sales during that day will be given back to Trinity, so come and order a pizza and have your teacher help prepare it for you! We have scrip on hand for the even in \$10 cards, so be sure to pick it up before you go.

We just received a new order of spirit wear T shirts this week, so there are more sizes now available. They will on display in the glass case, or in the school office. Just \$10 each! The students can also wear these shirts on Friday instead of the uniform polo shirts.

## Tuition Charges

Tuition charges for November have been posted in Fast Direct, so the current total in your account will reflect September-November charges, along with any posted payments or credits. I am still working out a few details, but everything now appears to be correct. Thank you for your patience as we implement this new Fast Direct feature. Payments can be brought to the school office or sent with you child to give to their teacher.

## Basketball Starts November 7th

Basketball practice starts Tuesday, November 8th at 3:45 and will go until 5pm. Information forms went home on October 28th please return them to the office or bring them to practice on the 8th. More information will be given out at the first practice. Even if you signed up on registration day, please return the forms to school so we can have an accurate player count.

## Scrip Corner

Scrip is available before school everyday in front of the library, if for some reason Mrs. Siegel isn't there, you can still purchase in the school office. Scrip is available the remainder of the day in the office, or weekends before and after Church services.

Look for updates regarding our current SCRIP promotion in the coming weeks. This promotion is ongoing, so keep making those SCRIP purchases.

We have new SCRIP vendor, and it's one of our school families! We now offer SCRIP for LaLaRoe, which is a family founded clothing company for women's, children and now men's clothing. You can get 8% back in credit from your purchases. Thank you to Kendall Palmer, Aiden's mother for offering us this opportunity. More information will be sent home as she promotes the LuLaRoe clothing line.

**Trinity Craft Fair is Saturday November 12th from 9am-3pm**

Trinity's annual craft show is Saturday November 12th, if you are interested in having a booth to sell a craft item, or another product, please contact the school office.

There will be food, baked goods, pasties, crafts, and a children's room. This is also a great way to promote our Church and School, so please let friends and relatives know about what our craft show has to offer. There will be something there for the entire family.

We are still in need of large bottles of hand soap for our dispensers, if you have any or would like to donate any, it would be greatly appreciated.

Lost and Found is located in the white basket, which is in the hallway across from the library, alongside the collection box for box tops and milk moola caps. Please check there if your child is missing anything, as that is where items found will be placed.

Melanie Gast and Preston Davies were the winners from our fire prevention awareness, as a result they both spent a Friday morning at the Fire Station. As part of their visit, they received a ride to school in the fire truck! Congratulations!

**Trinity Veterans Day assembly will be at 10am on Friday November 11th**
