Dear parent(s):

The Lord has greatly blessed Trinity with wonderful families who are willing to share their time and God given talents with us. We thank you heartily for that. Our goal for this year is to have every parent involved in some way, whether it is a one-time event or a long term commitment. Please, pray about how you can be involved in the life of your child(ren)'s school. More information will be presented on orientation night.

**Please place X on line(s) below if able to participate**
