

June 2023 Volunteer Policy

As a parochial school we rely on the involvement of all our parents. To help keep tuition costs as low as possible and to enlist help from all of our parents we have instituted a volunteer policy that began last school year. Please see the details below. Volunteer opportunities will be listed throughout the year in Tiger Tracks.

- Each family agrees to complete a total of 10 hours during the course of the school year. Scholarship families are asked to complete 40 hours during the course of the school year.
- All hours must be completed by June 2nd, 2024.
- In the event the volunteers are not fulfilled by the required dates a fee of \$10 per volunteer will be billed.
- Families have the option of buying out their time in advance at a rate of \$10/hour. This will add extra income to our general operating budget and take the place of completing the actual volunteer hours.
- Hours must be completed by an adult; hours completed by students do not apply to the total.
- The 10 hours (40 hours) is per family requirement, not per student.

Thank you for your cooperation in this matter. Please sign below and return with registration paperwork.
